Vancouver, BC / CNW / September 26, 2023 / Golden Arrow Resources Corporation (TSX-V: **GRG**, FSE: **G6A**, OTCQB: **GARWF**), (“Golden Arrow” or the “Company”) is pleased to announce it has closed the 1st tranche of the non-brokered private placement financing, as announced on September 13, 2023, through the issuance of 11,709,357 units at a subscription price of \$0.07 per unit (a “Unit” or “Units”) for aggregate gross proceeds to the Company of \$819,655.

Each Unit consists of one common share and one transferrable common share purchase warrant (a “Warrant”). Each Warrant will entitle the holder thereof to purchase one additional common share in the capital of the Company at \$0.15 per share for three (3) years from the date of issue expiring on September 26, 2026.

Finder's fees of \$23,877.70 are payable in cash on a portion of the private placement to parties at arm's length to the Company. Each Finder's Warrant entitling a finder to purchase one common share at a price of \$0.15 per share for three (3) years from the date of issue, expiring on September 26, 2026.

Certain insiders of the Company participated in the Private Placement for \$45,710 in Units. Such participation represents a related-party transaction under Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions (“MI 61-101”), but the transaction is exempt from the formal valuation and minority shareholder approval requirements of MI 61-101 as neither the fair market value of the subject matter of the transaction, nor the consideration paid, exceed 25% of the Company's market capitalization.

This financing is subject to regulatory approval and all securities to be issued pursuant to the financing are subject to a four-month hold period under applicable Canadian securities laws expiring on January 26, 2024. The proceeds of the financing will be used for general working capital and exploration on all its properties.
